NUMBER _____

TITLE McKelvey Office Note

REPORTER

Each year, seniors are given the opportunity to apply for the McKelvey scholarship. That time has come once again, and this year the recipients will receive an annual amount of \$3,000 for four years. This year, the scholarship contains new criteria that are considered when choosing an applicant. It is now only offered to first generation college attendees. The student must have a need for college money, he or she must show involvement in work and or extra-curricular activities, and must be applying to a college within his or her state. The scholar must also maintain a 2.5 GPA. Anyone interested and qualified to apply for this scholarship can do so on the McKelvey website at www.mckelveyfoundation.org and complete the online application. The last day to apply is Saturday December 1st.
